

Steel Suggestion Combination Lock Drop Box

Reassure your customers and employees to leave valuable suggestions, feedback, and keys.

Key Drop:

The 1-inch central opening will easily allow keys to pass into the box.

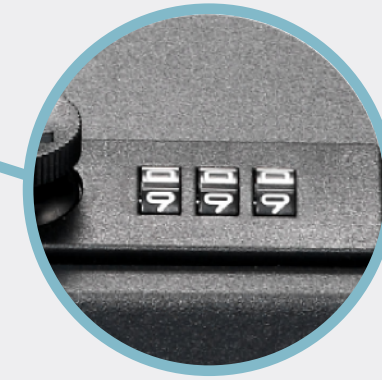

Wide Opening:

The adequate-sized slot makes it easy for thick card stock to slip in.

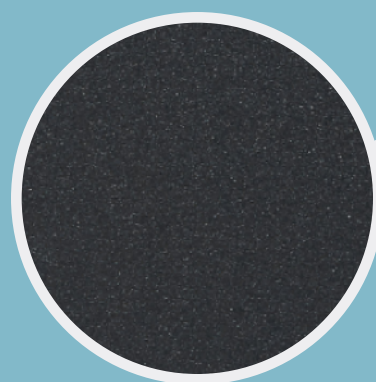

Accommodating:

Can be mounted on a wall, if desired, with included hardware.

Security:

Built-in three-digit combination lock to ensure confidentiality and prevent tampering.

Finish:

The powder-coated, scratch-resistant paint guarantees your suggestion box will last.

INCLUDED

With each purchase, you will get a stack of 25 suggestion cards and adhesive labels.
