MSRP (18 IN. BAR)	\$599.99	\$609.95	\$479.99	\$459.95

5 WHAT SETS THE PPT-2620 and PPF-2620 APART FROM THE COMPETITION?

PRODUCTIVITY

- Fuel tank with 14% more capacity than Stihl lessens refueling frequency
- 11-14% greater reach than Stihl models
- Adjustable/automatic oiler matches oil output to cutting conditions
- See-through oil tank minimizes down time at crucial moments

DURABILITY

- Intake inhibits hot air from reaching carburetor for consistent, reliable starts
- Two-stage air filtration protects engine and extends maintenance intervals
- Patented flexible drive cable with lifetime warranty; cable absorbs shock versus solid shafts that can twist
