

FÁCIL™ FILE

Get great value with our Fácil™ Flat Files. These economical files are perfect for your non-archival storage needs. Fácil Files are superbly simplistic, but have all the functions you need to accommodate all your projects. Easily identify your projects with functional label holders and to save space Fácil Flat Files are stackable when used with our closed base. The chrome drawer handles accent your file to make the value of your projects show inside and out. Each unit may be stacked up to two high on a low base and one high on a high base.

CLOSED BASE

Stack 'em! With the Closed Base you can easily stack the Fácil Flat File up to two high. The Closed Base raises files 4" off the floor for protection and easier access. Front is recessed 2 1/4" for toe space.

HIGH BASE

Take your filing experience to another level. The High Base for the Fácil Flat Files raises files 20" off the floor. The base has enclosed back and sides with an open front that is perfect to store books, binders and much more!
