

PHASE 3™ *Soft Shell*

The Phase 3 Soft Shell - Premium, Breathable, Water Resistant, Windproof, High Visibility Outerwear

A revolutionary 3 layer material that keeps you warm and dry, yet cool and comfortable for 3 season protection. Offers amazing warmth-to-weight ratio in a breathable, wind and water resistant system.

- Athletic apparel design and performance adapted for work environments.
- Inner fleece layer provides warmth and comfort.
- ANSI/ISEA 107 Class 3 compliant jacket for high visibility and breathability.
- Breathable to ASTM E96.
- Fluorescent yellow-green background material for excellent daytime visibility.
- 2" silver reflective tape reflects light for 360° nighttime conspicuity.

Ideal Applications: For use in environments where high visibility, warmth and breathability are desired for wearer safety and comfort.

Thrives in diverse weather conditions.

Small and medium sizes have all yellow-green sleeves to meet ANSI 107 requirements
